May 2018 Month of Service

In May, How May I Serve?

In 2018 we are expanding the Council Day of Service to dedicating the month of May to a month of Community Service. Units are encouraged to set aside one day in May to devote their time to a COMMUNITY service event. You can participate in events that the District sets up or you can branch off on your own. If you have an event idea that others can attend, please contact the District Civic Service Chair and we can help promote it. More to come...

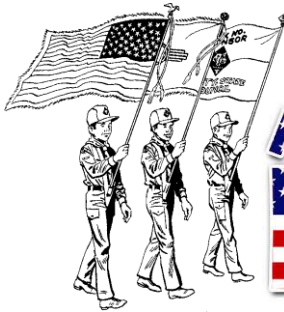

Ideas Include

American Red Cross

Local School or church
Cleanup and Beautification

MEMORIAL DAY

Serve Others As We Honor Those That Served Us

Love. Grow. Serve.
