

2018 JAMBOREE ON THE TRAIL

Calling all Packs, Troops, Crews, Teams and Posts Saturday, May 12 Gwinnett Environmental & Heritage Center

Jamboree On The Trail is an international event held on the second Saturday each May. Scouts of all ages from around the world hit the trails wherever they might be. Our event is in conjunction with the Northeast Georgia Council Day of Service project that will include trail maintenance and landscaping. Come and help or just come hike. Either way, bring good walking shoes and a water bottle.

There is no cost to attend. 2018 JOTT patches are \$4 each. Proceeds of the patch sale support the work of the NEGA Council International Committee.

If you want to receive patches that day, please register by April 15 at
<http://jotform.us/form/50346670922152> or contact Phil Krajec, philk55@charter.net.
